Children become anxious when all the other children have left. Teachers also have activities and families waiting. Please be prompt. Any parent arriving later than 6:30 PM to pick up their child should come prepared to pay the caregiver in charge the late fee required.

Prior to the first day of attendance, we ask that parents complete the following for each child attending the center:

- Child Enrollment and Health Information form
 - Child Medical Statement signed by physician that has examined the child in the past 12 months (except children in kindergarten or above)
- Parent Agreement form
- Payment of Registration Fee
- Payment of first week Tuition Fee

TUITION PAYMENT POLICIES

No cash will be accepted in payment of your tuition. Payment must be made by check or money order only. Tuition is due one week in advance. Payments are due each Friday for the following week. Tuitions paid on Monday are considered late. There is a late charge of \$10.00 for the first day and an additional \$5.00 for each additional day. In the event your child is absent on Friday due to illness or vacation, no late fee will be assessed until the child's second day of attendance upon return to the center. This is the only exception to the payment policy.

Tuition is due regardless of absence on all day care schedules. The schedule that is arranged with the administrator is the client's responsibility. Registration of the child constitutes a contract upon which we depend on when hiring our staff members. Please understand this when you are charged for unscheduled absences. Also note that the regular fee is charged when a legal holiday or snow day falls within the regular week. The total tuition for the year is divided into equal weekly payments for your convenience. In order to provide your child with the best program, equipment, and staff, it is necessary to insure that all payments are made on time. Please discuss your needs with the center administrator.

Each child will be offered one tuition-free vacation week per calendar year. To be eligible for the vacation week, you must provide the center with a written 30-day notice and the days must be consecutive (Monday through Friday). When payment is one week in arrears, the account is considered delinquent. Parent will be notified of this delinquency immediately. If the tuition for the current week is not paid by Friday of the current week (along with late charges), then your child cannot return to the center until your account is brought up to date. *A \$35.00 handling fee will be charged for all returned checks.* In the event that more than two checks are returned for any reason, we will no longer be able to accept checks from you. All future payments would have to be made in the form of a money order.

Thank you,
